

"Bring Some One Who Knows"

A BARGAIN is not a bargain unless you know something about values. When we say the Navajo Blankets we are offering at retail are priced at less than prevailing wholesale rates to dealers, we state an absolute fact. Twelve years we have been in business--but never before have we been able to offer good Navajo Blankets at anywhere near these low prices. A trader on the Reservation said he needed the money and needed it quick--we told him we could get it for him if he would make his prices right--he did--and YOU get the advantage. Last week over 100 people bought \$1,585.65 worth of Navajo Blankets for cash--this week we are showing hundreds of new designs--you are bound to be satisfied with design, quality and price--COME
